Instructions for Submitting a Solicitation Response

The Division of Purchasing is now posting all of its bid solicitation documents on the new MissouriBUYS Bid Board (<https://www.missouribuyss.mo.gov>). MissouriBUYS is the State of Missouri's web-based statewide eProcurement system which is powered by WebProcure, through our partner, Perfect Commerce.

For all bid solicitations, vendors now have the option of submitting their solicitation response either as an electronic response or as a hard copy response. As a means to save vendors the expense of submitting a hard copy response and to provide vendors both the ease and the timeliness of responding from a computer, vendors are encouraged to submit an electronic response. Both methods of submission are explained briefly below and in more detail in the step-by-step instructions provided at https://missouribuyss.mo.gov/pdfs/how_to_respond_to_a_solicitation.pdf. (This document is also on the Bid Board referenced above.)

- **ELECTRONIC RESPONSES:** To respond electronically to a solicitation, the vendor must first register with MissouriBUYS by going to the MissouriBUYS Home Page (<https://missouribuyss.mo.gov>), clicking the "Register" button at the top of the page, and completing the Vendor Registration. Once registered the vendor accesses their account by clicking the "Login" button at the top of the MissouriBUYS Home Page. After locating the desired solicitation on the Bid Board, at a minimum, the vendor must read and accept the Original Solicitation Documents and complete pricing and any other identified requirements. In addition, the vendor should download and save all of the Original Solicitation Documents on their computer so that they can prepare their response to these documents. Vendors should upload their completed response to these downloaded documents (including exhibits, forms, and other information concerning the solicitation) as an attachment to the electronic solicitation response. Step-by-step instructions for how a registered vendor responds to a solicitation electronically are available on the MissouriBUYS system at: https://missouribuyss.mo.gov/pdfs/how_to_respond_to_a_solicitation.pdf. Any such electronic submissions must be received prior to the specified end date and time.
 - Vendors are encouraged to submit their entire proposal electronically; however in lieu of attaching exhibits, forms, pricing, etc. to the electronic solicitation response, a vendor may submit the exhibits, forms, pricing, etc. through mail or courier service. However, any such submission must be received prior to the solicitation's specified end date and time. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents submitted through mail or courier service.
 - In the event a registered vendor electronically submits a solicitation response and also mails hard copy documents that are not identical, the vendor should explain which response is valid for the state's consideration. In the absence of such explanation, the state reserves the right to evaluate and award the response which serves its best interest.
- **HARD COPY RESPONSES:** When responding with a hard copy response, any such submission must be received prior to the specified end date and time. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents.

End of Instructions for Submitting Solicitation Response

1.2.3 Vendors are requested to advise the Division of Purchasing within five (5) working days of the scheduled pre-proposal conference of any accommodations needed.

3.1.7 Questions Regarding the RFP – Except as may be otherwise stated herein, the vendor and the vendor's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the RFP, the solicitation process, the evaluation, etc., to the buyer of record indicated on the first page of this RFP. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Vendors and their agents who have questions regarding this matter should contact the buyer.

- a. The buyer may be contacted via e-mail or phone as shown on the first page, or via facsimile to 573-526-9816.
- b. Only those questions which necessitate a change to the RFP will be addressed via an addendum to the RFP. Written records of the questions and answers will not be maintained. Vendors are advised that any questions received less than ten calendar days prior to the RFP opening date may not be addressed.
- c. The vendor may contact the Office of Equal Opportunity (OEO) regarding MBE/WBE certification or subcontracting with MBE/WBE companies.

3.2 **Competitive Negotiation of Proposals** - The vendor is advised that under the provisions of this Request for Proposal, the Division of Purchasing reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

- 3.2.1 Negotiations may be conducted in person, in writing, or by telephone.
- 3.2.2 Negotiations will only be conducted with potentially acceptable proposals. The Division of Purchasing reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All vendors involved in the negotiation process will be invited to submit a best and final offer.
- 3.2.3 Terms, conditions, prices, methodology, or other features of the vendor's proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the vendor may be required to submit supporting financial, pricing and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.
- 3.2.4 The mandatory requirements of the Request for Proposal shall not be negotiable and shall remain unchanged unless the Division of Purchasing determines that a change in such requirements is in the best interest of the State of Missouri.

3.3 **Evaluation and Award Process:**

3.3.1 Evaluation -

- a. After determining that a proposal satisfies the mandatory requirements stated in the Request for Proposal, the evaluator(s) shall use both objective analysis and subjective judgment in conducting a comparative assessment of the proposal in accordance with the evaluation criteria stated below. The contracts shall be awarded to the lowest and best proposals.

Evaluation Criteria Scoring Category	Maximum Points
Cost	80 points
Vendor's Experience and Reliability and Expertise of Personnel	60 points
Method of Performance	50 points
MBE/WBE Participation	10 points
TOTAL	200 points

- b. Separate evaluations shall be conducted by geographic region, for a total of nine (9) evaluations.
- c. After completion of the subjective and objective evaluation, the proposals shall be ranked in lowest and best order, beginning with the proposal receiving the highest combined total of subjective and objective points, including consideration of preference points.

3.3.2 Award Process -

a. Total Cost Allocation –

Table Revised by BAFO #001

- 1) The state agency anticipates a total of approximately \$2,866,666.67 to be appropriated for Alternatives to Abortion Program services across all the geographic regions for the period of the effective date of the contract through June 30, 2017. The state agency anticipates, but does not guarantee, the amount of funding to be allocated by geographic region in the following approximate percentages of the total:

Table Revised by BAFO #001

Geographic Region	Funding Allocation	Funding Allocation Approximate Percentage
Geographic Region 1	\$116,306.30	4.06%
Geographic Region 2	\$100,748.92	3.51%
Geographic Region 3	\$579,987.17	20.23%
Geographic Region 4	\$281,493.45	9.82%
Geographic Region 5	\$101,363.78	3.54%
Geographic Region 6	\$909,038.96	31.71%
Geographic Region 7	\$495,643.96	17.29%
Geographic Region 8	\$85,293.53	2.98%
Geographic Region 9	\$196,790.59	6.86%

- 2) However, the amount of funding awarded for the original contract period for one or more geographic regions may be reduced or increased based upon any funding that has been expended prior to the date of contract award, or based on other circumstances.
- b. Top-ranked Vendor, per geographic region: The top-ranked vendor per geographic region shall be awarded a contract for either the Maximum Annual Total Price, as quoted on the Pricing Page, or the maximum percentage of the funding allocation as specified in the following table, whichever is less. The percentage of the funding allocation awarded to the top ranked vendor is contingent upon the total number of responsive proposals received and considered for contract award, as specified in the following table:

Total Number of Responsive Proposals Received and Considered for Contract Award, per Geographic Region	Maximum Percentage of the Funding Allocation for the Top-Ranked Vendor, per Geographic Region
One Proposal	100%
Two Proposals	60%
Three Proposals	40%
Four Proposals	30%
Five or More Proposals	20%

c. Second-ranked Vendor, per geographic region:

- 1) The second-ranked vendor, per geographic region shall be awarded a contract based on the vendor's Maximum Annual Total Price and Minimum Annual Total Price, as quoted on the Pricing Page, and the maximum percentage of the funding allocation as specified in the following table. The percentage of the funding allocation awarded for the second-ranked

vendor is contingent upon the total number of responsive proposals received and considered for contract award, as specified in the following table:

Total Number of Responsive Proposals Received and Considered for Contract Award, per Geographic Region	Maximum Percentage of the Funding Allocation for the Second-ranked Vendor, per Geographic Region
Two Proposals	40%
Three Proposals	30%
Four Proposals	23.3% (approximately)
Five or More Proposals	80% divided by the number of proposals received less the top-ranked proposals (Example: Eleven responsive proposals received and considered for contract award less the top ranked proposal equals 8% [80% divided by ten (10)])

- 2) If there are not enough funds remaining to award the second-ranked vendor the vendor's Minimum Annual Total Price required to provide services pursuant to the available funds, the vendor shall not receive a contract award.

d. Next-ranked vendor(s), per geographic region:

- 1) If funds remain after the award of a contract to the top-ranked vendor and the award/non-award of a contract to the second-ranked vendor, the state shall continue awarding contracts to the next ranking vendors in the manner specified above until the available funding allocations for the geographic region is expended. The percentage of the funding allocation awarded for the next-ranked vendor is contingent upon the total number of responsive proposals received and considered for contract award, as specified in the following table:

Total Number of Responsive Proposals Received and Considered for Contract Award, per Geographic Region	Maximum Percentage of the Funding Allocation for the Next-ranked Vendor, per Geographic Region
Three Proposals	30%
Four Proposals	23.3% (approximately)
Five or More Proposals	80% divided by the number of proposals received less the top-ranked proposals (Example: Eleven responsive proposals received and considered for contract award less the top ranked proposal equals 8% [80% divided by ten (10)])

- e. If funds remain after each vendor is awarded a contract as specified above, the top-ranked vendor shall be awarded a contract for the vendor's Maximum Annual Total Price, or a portion thereof, contingent upon the amount of the funding allocation remaining. If funds continue to remain after the award of the contract to the top-ranked vendor for the vendor's Maximum Annual Total Price, the state shall continue awarding contracts in the same manner to the second-ranked vendor(s), etc. until the total available funding allocation is expended.
- f. If the total available funding is not awarded, the State of Missouri shall have the right to utilize the remaining funds in a manner in the best interest of the State of Missouri. The decision regarding remaining funds rests solely with the State of Missouri.
- g. Although the State of Missouri intends to award multiple contracts in each geographic region, the State of Missouri reserves the right to not award lower ranking vendors for reasons based on the overall ranking and/or funding allocation.

Paragraph Revised by Addendum #1

- i. In the event the contract period is greater/less than a 12-month period (as identified on the Notice of Award), the vendor's awarded Maximum Annual Total Price shall be prorated to a price per month and multiplied by the number of months in the awarded contract period.

3.4 Evaluation of Cost:

- 3.4.1 Pricing – The vendor must provide pricing as required on the Pricing Page.

Paragraph Revised by Addendum #1

- a. Objective Evaluation of Cost – *The total cost points assigned to a vendor shall be the sum of the non-residential services cost points plus the residential care services cost points.*

Paragraphs Inserted by Addendum #1

- 1) Non-Residential Services - The cost evaluation shall be based upon the price per client, per month. The maximum cost evaluation points for non-residential services shall be 55 points.
- Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Vendor's Price}}{\text{Compared Vendor's Price}} \times \text{Maximum Cost Evaluation points (55)} = \text{Assigned Cost Points}$$

- 2) Residential Care Services – The cost evaluation shall be based upon the price per client, per month. The maximum cost evaluation points for residential care services shall be 25 points.
- Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Vendor's Price}}{\text{Compared Vendor's Price}} \times \text{Maximum Cost Evaluation points (25)} = \text{Assigned Cost Points}$$

3.5 Evaluation of Vendor's Experience and Reliability and Expertise of Personnel:

- 3.5.1 Experience and reliability of the vendor's organization will be considered subjectively in the evaluation process. Therefore, the vendor is advised to submit information concerning the vendor's organization and information documenting the vendor's experience in past performances, especially those performances related to the requirements of this RFP. If the vendor is proposing an entity other than the vendor to perform the required services, the vendor should also submit the information requested for such proposed subcontractor.

- a. Vendor Information - The vendor should provide information about the vendor's organization on Exhibit B.
- 1) Pursuant to section 208.067.1 (1) RSMo, additional consideration will be given if a vendor is a not-for-profit entity that promotes one (1) or more of the four (4) purposes established by

Congress under 42 U.S.C. Section 601 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The vendor should complete and return the table referenced in item 5 of Exhibit B to indicate if the vendor is a non-for-profit entity that promotes one (1) or more of the four (4) purposes.

- Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives;
 - End the dependence of needy parents on government benefits by promoting job preparation, work, and marriage;
 - Prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies; and
 - Encourage the formation and maintenance of two-parent families.
- 2) Pursuant to section 188.325 RSMo, additional consideration will be given if the vendor is an organization “*exempt from income taxation pursuant to the United States Internal Revenue Code*”. Such vendors should complete and return the attached certification regarding section 188.325, RSMo, Exhibit C, with the proposal.
- b. Experience - The vendor should provide information related to previous and current services/contracts of the vendor or any proposed subcontractor where performance was similar to the required services of this RFP. The information may be shown on Exhibit D or in a similar manner.
- 1) As part of the evaluation process, the State of Missouri may contact the vendor’s references, including references not listed or identified within the vendor’s proposal but who have current or previous experiences with the vendor.
 - 2) The vendor shall agree and understand that the State of Missouri is not obligated to contact the vendor’s references.

3.5.2 The qualifications of the personnel proposed by the vendor to perform the requirements of this RFP, whether from the vendor’s organization or from a proposed subcontractor, will be subjectively evaluated. Therefore, the vendor should submit detailed information related to the experience and qualifications, including education and training, of proposed personnel.

- a. Personnel Expertise - The vendor should provide the information requested on Exhibit E for each key person, specifically the contract representative and credentialed case managers, proposed to provide the services required herein.
- 1) The information provided should be structured to emphasize relevant qualifications and experience of the personnel in completing contracts/performing services of a similar size and scope to the requirements of this RFP.
- b. Personnel Qualifications - If personnel are not yet hired, the vendor should provide detailed descriptions of the required employment qualifications; and detailed job descriptions of the position to be filled, including the type of person proposed to be hired.

3.6 Evaluation of Method of Performance - Proposals will be subjectively evaluated based on the vendor’s plan for performing the requirements of the RFP. Therefore, the vendor should present information which demonstrates the method or manner in which the vendor proposes to satisfy these requirements and which confirms the vendor’s ability to satisfy the requirements. The language of the narrative should be straightforward and limited to facts, solutions to problems, and plans of action.

3.6.1 Description of Proposed Services – Exhibit F is provided for the vendor’s use in providing information about the proposed method of performance. In addition, each paragraph within the Contractual Requirements should be addressed by providing a description of how the vendor proposes to perform or comply with the requirement and otherwise detailing the vendor’s understanding and ability to

successfully perform the requirement. When responding to the appropriate provisions in the Contractual Requirements, the vendor should identify the paragraph or subparagraph number and then provide the additional elaboration describing the vendor's plans for performing or meeting the requirement.

3.6.2 **Implementation or Readiness Plan** - The vendor should complete Exhibit G, or any other format, to describe the proposed schedule for the implementation of the required services beginning from the date of state agency authorization to proceed with services to the day services are fully operational. The vendor should present the information as calendar days following the date of state agency authorization to proceed with services and not actual dates. In the event of overlapping or concurrent tasks, a timeline (PERT, bar, line, etc.) may be used. If the vendor is already providing the services, the vendor should provide a statement of readiness.

3.6.3 **Client Scenario** - The vendor's proposal will be evaluated based on the vendor's distinctive plan for accomplishing the requirements of the RFP for the scenario presented in Exhibit H. Therefore, the vendor should present a description of the vendor's methodology and submit any and all information necessary to demonstrate the vendor's qualifications, capabilities, resources, etc., to perform the requirements of the RFP in accomplishing the scenario outlined on Exhibit H. The vendor should provide a total price with a price analysis for the client services identified in the narrative.

- a. The vendor is advised that all information contained in the scenario narrative and the total price analysis will be utilized in the evaluation of the vendor's proposal, including all evaluation criteria specified herein.
- b. The vendor is further advised that although the amount of information presented in the scenario is limited, the vendor should use every effort to prepare a response to the scenario which demonstrates the vendor's capabilities, methodology, and cost for providing client services.
- c. The vendor is advised that the prices of the individual components included in the total price on Exhibit H may be compared with the prices stated on the Pricing Pages. The assigned tasks of personnel described in the narrative may be compared with the qualifications of the proposed personnel and utilized in the evaluation in any manner deemed necessary by the State of Missouri.

3.7 Evaluation of Vendor's Minority Business Enterprise (MBE)/ Women Business Enterprise (WBE) Participation:

3.7.1 In order for the Division of Purchasing (Purchasing) to meet the provisions of Executive Order 05-30, the vendor should secure participation of certified MBEs and WBEs in providing the products/services required in this RFP. The targets of participation recommended by the State of Missouri are 10% MBE and 5% WBE of the total dollar value of the contract.

- a. These targets can be met by a qualified MBE/WBE vendor themselves and/or through the use of qualified subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful opportunities for MBE/WBE participation.
- b. The services performed or the products provided by MBE/WBEs must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by MBE/WBEs is utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- c. In order to be considered as meeting these targets, the MBE/WBEs must be "qualified" by the proposal opening date (date the proposal is due). (See below for a definition of a qualified MBE/WBE.)

3.7.2 The vendor's proposed participation of MBE/WBE firms in meeting the targets of the RFP will be considered in the evaluation process as specified below:

- a. If Participation Meets Target: Vendors proposing MBE and WBE participation percentages that meet the State of Missouri's target participation percentage of 10% for MBE and 5% for WBE shall be assigned the maximum stated MBE/WBE Participation evaluation points.
- b. If Participation Exceeds Target: Vendors proposing MBE and WBE participation percentages that exceed the State of Missouri's target participation shall be assigned the same MBE/WBE Participation evaluation points as those meeting the State of Missouri's target participation percentages stated above.
- c. If Participation Below Target: Vendors proposing MBE and WBE participation percentages that are lower than the State of Missouri's target participation percentages of 10% for MBE and 5% for WBE shall be assigned a proportionately lower number of the MBE/WBE Participation evaluation points than the maximum MBE/WBE Participation evaluation points.
- d. If No Participation: Vendors failing to propose any commercially useful MBE/WBE participation shall be assigned a score of 0 in this evaluation category.

3.7.3 MBE/WBE Participation evaluation points shall be assigned using the following formula:

$$\frac{\text{Vendor's Proposed MBE \%} \leq 10\% + \text{WBE \%} \leq 5\%}{\text{State's Target MBE \% (10) + WBE \% (5)}} \times \frac{\text{Maximum MBE/WBE Participation Evaluation points (10)}}{1} = \text{Assigned MBE/WBE Participation points}$$

3.7.4 If the vendor is proposing MBE/WBE participation, in order to receive evaluation consideration for MBE/WBE participation, the vendor must provide the following information with the proposal.

- a. **Participation Commitment** - If the vendor is proposing MBE/WBE participation, the vendor must complete Exhibit I, Participation Commitment, by listing each proposed MBE and WBE, the committed percentage of participation for each MBE and WBE, and the commercially useful products/services to be provided by the listed MBE and WBE. If the vendor submitting the proposal is a qualified MBE and/or WBE, the vendor must include the vendor in the appropriate table on the Participation Commitment Form.
- b. **Documentation of Intent to Participate** – The vendor must either provide a properly completed Exhibit J, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed or must provide a letter of intent signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed which: (1) must describe the products/services the MBE/WBE will provide and (2) should include evidence that the MBE/WBE is qualified, as defined herein (i.e., the MBE/WBE Certification Number or a copy of MBE/WBE certificate issued by the Missouri OEO). If the vendor submitting the proposal is a qualified MBE and/or WBE, the vendor is not required to complete Exhibit J, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

3.7.5 **Commitment** – If the vendor's proposal is awarded, the percentage level of MBE/WBE participation committed to by the vendor on Exhibit I, Participation Commitment, shall be interpreted as a contractual requirement.

3.7.6 **Definition** -- Qualified MBE/WBE:

- a. In order to be considered a qualified MBE or WBE for purposes of this RFP, the MBE/WBE must be certified by the State of Missouri, Office of Administration, Office of Equal Opportunity (OEO) by the proposal opening date.
- b. MBE or WBE means a business that is a sole proprietorship, partnership, joint venture, or corporation in which at least fifty-one percent (51%) of the ownership interest is held by minorities or women and the management and daily business operations of which are controlled by one or more minorities or women who own it.

Instructions for Certification

1. By signing and submitting this proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. 6. The prospective recipient of Federal assistance funds further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Nonprocurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.

- b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. 3. OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT

- a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise Purchasing if any language, specifications or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from vendors regarding specifications, requirements, competitive proposal process, etc., must be directed to the buyer from Purchasing, unless the RFP specifically refers the vendor to another contact. Such e-mail, fax, or phone communication should be received at least ten calendar days prior to the official proposal end date.
- b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all vendors will be advised, via the issuance of an addendum to the RFP, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the RFP, any questions received less than ten calendar days prior to the RFP end date may not be answered.
- c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by Purchasing in the RFP or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. Purchasing monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. The RFP is available for viewing and downloading on the MissouriBUYS Statewide eProcurement System. Registered vendors are electronically notified of those proposal opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address themselves on the state's MissouriBUYS Statewide eProcurement System at <https://missouribuy.com.gov/>.
- f. Purchasing reserves the right to officially amend or cancel an RFP after issuance. It shall be the sole responsibility of the vendor to monitor the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP was established and registered vendors who have responded to the RFP on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP

was established and registered vendors who have responded to the proposal on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the RFP.

4. PREPARATION OF PROPOSALS

- a. Vendors must examine the entire RFP carefully. Failure to do so shall be at the vendor's risk.
- b. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFP, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Proposals lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFP.
- e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFP, such a vendor may submit a proposal which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the RFP, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by Purchasing or (2) be accepted without further clarification if the statutory limitations and prohibitive clauses are deemed acceptable by Purchasing. If Purchasing determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFP.
- f. All equipment and supplies offered in a proposal must be new, of current production, and available for marketing by the manufacturer unless the RFP clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the RFP.
- h. Proposals, including all prices therein, shall remain valid for 90 days from proposal opening or Best and Final Offer (BAFO) submission unless otherwise indicated. If the proposal is accepted, the entire proposal, including all prices, shall be firm for the specified contract period.
- i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their proposal in order to be considered for award.

5. SUBMISSION OF PROPOSALS

- a. Registered vendors may submit proposals electronically through the MissouriBUYS Statewide eProcurement System at <https://missouribuy.mo.gov/> or by delivery of a hard copy to the Purchasing office. Vendors that have not registered on the MissouriBUYS Statewide eProcurement System may submit proposals hard copy delivered to the Purchasing office. Delivered proposals must be sealed in an envelope or container, and received in the Purchasing office located at 301 West High St, Rm 630 in Jefferson City, MO no later than the exact end date and time specified in the RFP. All proposals must (1) be submitted by a duly authorized representative of the vendor's organization, (2) contain all information required by the RFP, and (3) be priced as required. Hard copy proposals may be mailed to the Purchasing post office box address. However, it shall be the responsibility of the vendor to ensure their proposal is in the Purchasing office (address listed above) no later than the exact end date and time specified in the RFP.
- b. The sealed envelope or container containing a proposal should be clearly marked on the outside with (1) the official RFP number and (2) the official end date and time. Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
- c. A proposal submitted electronically by a registered vendor may be modified on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing office may be modified by signed, written notice which has been received by Purchasing prior to the official end date and time specified. A proposal may also be modified in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to modify a proposal shall not be honored.
- d. A proposal submitted electronically by a registered vendor may be retracted on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by Purchasing prior to the official end date and time specified. A proposal may also be withdrawn in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to withdraw a proposal shall not be honored.
- e. A proposal may also be withdrawn after the proposal opening through submission of a written request by an authorized representative of the vendor. Justification of withdrawal decision may include a significant error or exposure of proposal information that may cause irreparable harm to the vendor.
- f. When submitting a proposal electronically, the registered vendor indicates acceptance of all RFP requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors delivering a hard copy proposal to Purchasing must sign and return the RFP cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all RFP requirements, terms and conditions. Failure to do so may result in rejection of the proposal unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- g. Faxed proposals shall not be accepted. However, faxed and e-mail no-bid notifications shall be accepted.

6. PROPOSAL OPENING

- a. Proposal openings are public on the end date and at the opening time specified on the RFP document. Only the names of the respondents shall be read at the proposal opening. All vendors may view the same proposal response information on the MissouriBUYS Statewide eProcurement System. The contents of the responses shall not be disclosed at this time.
- b. Proposals which are not received in the Purchasing office prior to the official end date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late proposals may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

7. PREFERENCES

- a. In the evaluation of proposals, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

- c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority and women-owned businesses in selecting subcontractors.

8. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the vendor and request clarification of the intended proposal. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by Purchasing to be in the best interest of the State of Missouri.
- c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the State of Missouri. However, unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.
- d. Awards shall be made to the vendor whose proposal (1) complies with all mandatory specifications and requirements of the RFP and (2) is the lowest and best proposal, considering price, responsibility of the vendor, and all other evaluation criteria specified in the RFP and any subsequent negotiations and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.
- e. In the event all vendors fail to meet the same mandatory requirement in an RFP, Purchasing reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, Purchasing reserves the right to waive any minor irregularity or technicality found in any individual proposal.
- f. Purchasing reserves the right to reject any and all proposals.
- g. When evaluating a proposal, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a proposal, from a vendor, from vendor's references, or from any other source.
- h. Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract.
- i. Negotiations may be conducted with those vendors who submit potentially acceptable proposals. Proposal revisions may be permitted for the purpose of obtaining best and final offers. In conducting negotiations, there shall be no disclosure of any information submitted by competing vendors.
- j. Any award of a contract shall be made by notification from Purchasing to the successful vendor. Purchasing reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by Purchasing based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- k. Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until after a contract is executed or all proposals are rejected.
- l. Purchasing posts all proposal results on the MissouriBUYS Statewide eProcurement System for all vendors to view for a reasonable period after proposal award and maintains images of all proposal file material for review. Vendors who include an e-mail address with their proposal will be notified of the award results via e-mail.
- m. Purchasing reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- n. Any proposal award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- o. The final determination of contract(s) award shall be made by Purchasing.

9. CONTRACT/PURCHASE ORDER

- a. By submitting a proposal, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the RFP, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the RFP, addendums thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) Purchasing's acceptance of the proposal by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
- c. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and Purchasing or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

10. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. The statewide financial management system has been designed to capture certain receipt and payment information. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of Purchasing.
- d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFP.
- e. The State of Missouri assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the state's rejection and shall be returned at the contractor's expense.
- f. All invoices for equipment, supplies, and/or services purchased by the State of Missouri shall be subject to late payment charges as provided in section 34.055, RSMo.
- g. The State of Missouri reserves the right to purchase goods and services using the state purchasing card.

11. DELIVERY

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

12. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by an agency of the state pursuant to a contract shall be deemed accepted until the agency has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The State of Missouri reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The State of Missouri's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

13. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by Purchasing, (2) be fit and sufficient for the purpose expressed in the RFP, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the state's acceptance of or payment for said equipment, supplies, and/or services.

14. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454, RSMo, regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

15. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the State of Missouri of any existing or future right and/or remedy available by law in the event of any claim by the State of Missouri of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the State of Missouri of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the State of Missouri.

16. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, Purchasing may cancel the contract. At its sole discretion, Purchasing may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide Purchasing within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach or if circumstances demand immediate action, Purchasing will issue a notice of cancellation terminating the contract immediately. If it is determined Purchasing improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c. If Purchasing cancels the contract for breach, Purchasing reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as Purchasing deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the state for any period in which funds have not been appropriated, and the state shall not be liable for any costs associated with termination caused by lack of appropriations.

17. COMMUNICATIONS AND NOTICES

Any notice to the vendor/contractor shall be deemed sufficient when deposited in the United States mail postage prepaid, transmitted by facsimile, transmitted by e-mail or hand-carried and presented to an authorized employee of the vendor/contractor.

18. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify Purchasing immediately.
- b. Upon learning of any such actions, Purchasing reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

19. INVENTIONS, PATENTS AND COPYRIGHTS

The contractor shall defend, protect, and hold harmless the State of Missouri, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

20. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age,

disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:

- a. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
- b. The identification of a person designated to handle affirmative action;
- c. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
- d. The exclusion of discrimination from all collective bargaining agreements; and
- e. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.

If discrimination by a contractor is found to exist, Purchasing shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by Purchasing until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

21. AMERICANS WITH DISABILITIES ACT

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

22. FILING AND PAYMENT OF TAXES

The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore the vendor's failure to maintain compliance with chapter 144, RSMo, may eliminate their proposal from consideration for award.

MINOR PARENT INCOME DETERMINATION FORMULA

NOTE: The “minor parent's parent” will be referred to as the “major parent”.

A minor parent is defined as a parent under the age of 18, including the month turning 18. The major parent is the biological or adoptive parent of the minor parent, not a stepparent of the minor parent. The income of a major parent(s) is used in determining eligibility, if the major parent(s) lives in the same household as the minor parent. A major parent remains financially responsible for the minor parent until the month s/he reaches the age of 18.

When a minor parent requests benefits, the assistance group(s) and budgeting must be determined based on the family's situation.

If a three generation family does not file as one assistance group, the major parent's income is deemed to the minor parent's assistance group.

NOTE: Verification of the major parent's income is necessary to establish eligibility.

When a minor parent moves in with his/her parent(s), determine if the minor parent is included in an assistance group with his/her parent(s) or if the parent's income is deemed to him/her.

NOTE: DO NOT include the major parent's spouse who is a stepparent or persons in the minor parent's eligibility unit as dependents.

When the major parent's income is deemed to the minor parent, determine the portion of the major parent's income to attribute to the minor parent.

1. Obtain the major parent's monthly gross income;
2. Subtract the following from the gross earned income:
 - 1) An amount equal to 100% of the Federal Poverty Level (FPL) (see Attachment 3A) for the major parent and their dependents in the household (do not include the minor parent and child).
 - a) Dependents are persons who are or could be claimed by the major parent as a dependent for purposes of federal tax liability.
 - 2) A \$90 work expense standard for each employed major parent.
 - 3) An amount equal to the full need standard (see Attachment 3A) for the major parent and any other individuals living in the home, (whose needs are not considered in the minor parent's assistance group), who are claimed or could be claimed by the parent as dependents for purposes of federal income tax liability.

- a) Example: If two adult parents and a sibling of the minor parent live in the same household as the minor parent and her dependent child, disregard an amount equal to the full standard of need for three people.
- 4) Amounts actually paid by the major parent(s) to individuals not living in the home but who are claimed or could be claimed as dependents for federal income tax purposes.
- 5) Court-ordered alimony or child support paid by the major parent(s) for individuals not living in the household.

The remainder is shown as unearned income on the minor parent's budget.

EXAMPLE: Ms. Smith is a minor parent living with her mother. Also in the household are her 2 sisters. Ms. Smith's mother earns \$3,000 monthly.

$$\$3,000 - 1,675 \text{ (100\% of the Federal Poverty Level for 3)} = 1,325$$

$$\$1,325 - \$90 = 1,235$$

$$\$1,235 - \$846 \text{ (full need standard for 3)} = \$389$$

\$389 is the major parent's income deemed to the minor parent.

When a minor parent reaches age 18 or moves out of his/her parent's home, the major parent's income is not deemed effective the next month.

Attachment 7: Federal Funds Subrecipient Requirements

1. In performing its responsibilities under the contract, the subrecipient shall fully comply with:
 - a. 2 CFR Chapter 1, Chapter II, Part 200, et al., Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
 - b. All applicable terms and conditions of the award.
 - c. All other applicable laws, regulations and policies authorizing or governing the use of any federal funds paid to the subrecipient under the contract.
2. The subrecipient shall not utilize federal funds, or any required matching funds, provided under the contract as matching funds for any other federal award, unless specifically allowed under that award.
3. Allowable Costs: Unless otherwise stated in this RFP, the subrecipient shall invoice the state agency based on actual, allowable costs incurred.
 - a. The subrecipient shall ensure all expenditures invoiced, claimed and/or reported satisfy the General provisions for allowable costs, as defined in the 2 CFR Chapter 1, Chapter II, Part 200, Subpart E- Cost Principles; and Specific provisions for allowable costs, as defined in applicable Federal program rules.
4. Indirect Cost Rates and Administrative Rates: In the event indirect costs and/or administrative rates are included as part of the cost reimbursement under the contract, the following will apply:
 - a. If a subrecipient has an approved federally negotiated indirect cost rate, the state agency will accept the approved indirect cost rate, unless doing so would conflict with federal statutes or an exception has been approved by the federal agency, based on documented justification. (2 CFR § 200.414) If a federal agency has approved a new or different rate subsequent to the beginning of a contract period and the effective date is retroactive, the change (increase or decrease) will not be recognized and accepted until the following contract period.
 - b. A rate of 10% of Modified Total Direct Costs (MTDC) will be used for those subrecipients that do not have a federally negotiated indirect rate (2 CFR § 200.414).
 - c. **Administrative costs** are defined as general administration and general expenses such as the director's office, accounting, personnel, library expenses and all other types of expenditures not listed specifically under one of the subcategories of "Facilities", (including cross allocations from other pools, where applicable). (US Dept. of Labor – Guide for Indirect Cost Rate Determination). Administrative costs can be categorized as both direct and indirect costs.

Administrative rates will vary by award, will be determined by the state agency, and will not exceed limits set forth by statute or regulations pertaining to each award. For example, some federal programs have statutory limitations on the % of dollars which may be expended for administrative costs. The state agency must abide by those statutory limits. Consequently, in contracts which include federal dollars with statutory limitations on administrative costs, the state agency will limit the use of award funds for administrative costs in accordance with the statutory requirements. In such instances, the state agency award will deem administrative costs (including administrative costs included in the indirect rate) unallowable to the extent that the costs exceed the statutory limits.
 - d. With regard to indirect cost rates and administrative rates, guidance and requirements noted in Part 2 CFR § 200, "does not change or modify any existing statute or guidance otherwise based on any existing statute...and does not supersede any existing or future authority under law or by executive order of the Federal Acquisition Regulation." Thus, for state agency programs where the specific federal award requirements define Administrative costs in such a manner that all Indirect costs are Administrative costs, the state agency cannot accept an indirect rate (regardless of whether it is federally negotiated or not) that exceeds the Administrative rate cap designated by the specific federal award.
5. Record/Document Requirements and Retention:
 - a. The subrecipient shall have written policies and procedures in place to ensure compliance with the terms, conditions, laws, and regulations in 2 CFR Chapter 1, Chapter II, Part 200, et al., Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Award, and shall make its policies and procedures available to the state agency, upon request.

- b. The subrecipient shall maintain an accounting system that, at a minimum, records expenditures in a manner that readily identifies the expenditure as an activity allowable under the award and allows required federal financial reports to be easily prepared.
 - c. In accordance with 2 CFR § 200.333 the subrecipient shall retain, for a period of three years from the date of submission of the final expenditure report, or from the date of the submission of the final quarterly or annual financial report to the state agency, all financial records, supporting documents, statistical records, and all other records pertinent to the federal award.
6. Subrecipient Monitoring: The state agency reserves the right to conduct monitoring reviews to ensure the subrecipient administers the federal award in compliance with applicable laws, regulations, contractual obligations, and performance goal measures.
- a. When deemed appropriate by the state agency, a monitoring report based on the results of the monitoring review will be issued to the subrecipient.
 - b. The subrecipient shall submit a written corrective action plan for any findings and recommendations in the monitoring report as directed by the state agency.
 - 1) The corrective action plan should include the actions the contractor proposes to take to remedy concerns, timeframes for achieving such remedies, and the person(s) responsible for the necessary action.
 - c. The state agency will respond in writing by accepting the corrective action plan submitted and/or requiring further action, including, but not limited to:
 - 1) More detailed financial reports or other documentation;
 - 2) Additional monitoring;
 - 3) Requiring the subrecipient to obtain technical or management assistance; and/or
 - 4) Establishing additional prior approvals from the state agency.
7. Audits: If required, the subrecipient shall have a single or program-specific audit conducted in accordance with provisions of the Single Audit Act of 1984 (with amendment in 1996) and 2 CFR Chapter 1, Chapter II, Part 200, Subpart F, et al., Audit Requirements.
- a. In accordance with the provisions of 2 CFR Chapter 1, Chapter II, Part 200, Subpart F, et al., Audit Requirements, the subrecipient shall consider all sources of federal awards, including federal resources received from the state agency, in determining the federal awards expended in its fiscal year.
 - b. In the event the subrecipient is required to obtain an audit pursuant to 2 CFR Chapter 1, Chapter II, Part 200, Subpart F, et al., Audit Requirements, the subrecipient shall submit the reporting package to the Federal Audit Clearinghouse (FAC) as required by 2 CFR § 200.512. The subrecipient shall notify the state agency of the acceptance of the audit by the FAC within 7 calendar days of the acceptance. The subrecipient shall also notify the state agency in the event the subrecipient is not required to obtain and submit a single audit. These notifications shall be submitted to the:

Department of Social Services
Division of Finance and Administrative Services
Attn: Single Audit
P.O. Box 1082
Jefferson City, MO 65102
Or DFAS.ComplianceUnit@dss.mo.gov
 - c. The subrecipient shall cooperate with the state agency in resolving questions that the state agency may have concerning the auditors' report and plans for corrective action(s) pursuant to 2 CFR § 200.521.
8. The subrecipient shall be responsible for any deferrals, disallowances, questioned costs, or other items not allowed for federal financial participation claimed by the state agency on behalf of the subrecipient. The subrecipient shall return any funds disallowed, either to the state agency or directly to the applicable federal agency, as instructed by the state agency and within the timeframe designated.

9. **Transparency Reporting:** In order to assist the state agency in complying with its reporting requirements under the Federal Funding Accountability and Transparency Act (FFATA), the subrecipient must fully complete and submit the FFATA Data Form, attached hereto as Attachment 8, to the state agency prior to the award of the contract.
- a. The subrecipient should register in the federal government System for Award Management (SAM) available at www.sam.gov, to record information about the subrecipient's organization, including executive compensation data. SAM is a secure, single repository of data and the subrecipient should only need to register once and renew annually thereafter and update information as necessary.
 - b. The state agency will provide the subrecipient with applicable federal funding source information in accordance with 2 CFR § 200.331.
